

**Amendment No. 1 to the Request for Proposals  
TechShare Justice Criminal Courts Platform**

The Request for Proposals for the TechShare Justice Criminal Courts Platform is amended as follows:

1. The due date for proposals is changed to January 25, 2012 at 5:00 p.m.
2. Vendor experience in the justice domain is not a requirement. Nor must the solution proposed by a vendor have been implemented in the justice domain. A solution that has been used to deploy a large-scale application in the public sector is eligible to be considered for award. Preference will be given to expertise in the justice domain.

Metrics that fall within our understanding of "large-scale application" may be found in the Responses to Vendor Questions, Answer #6, updated 01/11/12.

3. The two (2) electronic copies of a proposal should include a separate electronic file for each of the following sections of the proposal:

3.2.1. - Front Cover / Title Page

3.2.2. - Completed Proposal Submission Checklist

3.2.3. - Transmittal Letter

3.2.4. - Table of Contents

3.2.5. - Executive Summary

3.2.6. - Qualifications of Firm (including Company Profile and Subcontractors)

3.2.7. - References

3.2.8. - Description of the Software Offered

3.2.9. - Cost Proposal (including Software Agreement Pricing)

3.2.10. - Exceptions to Terms and Conditions

3.2.11. - Disclosure of Litigation

3.2.12. - Disclosure of Conflicts

4. In Section 6.29.1. and in Appendix B, Administrative Compliance Checklist, the typographical errors "seven (6) years" are corrected to state "seven (7) years."
5. Appendix D: Compliance with Terms and Conditions, is replaced with the attached Appendix D: Acknowledgment of RFP Amendments and Compliance with Terms and Conditions.
